1. You shall carry Me henceforth and forevermore as Me, as Me, as Ted being Me, as Theodore Joseph, a Cottingham after only Me. I love you and I give you Me. I have given you My all and now you have grasped, you have proclaimed and I proclaim this day, the day of your glorification in Me. You have graduated once again. You have Me and you have all of Me and now you know it, and you know that you know it. You know that you have all of Me. You KNOW, now you know and you know you receive, you know you bear his mantle. You have received his mantle and you have known it and you know it more so. Much more glory. Much more glory for only Me, Ted; for only Me, My Theodore of Theodore's. I love you.
2. Go in the fullness of your power and might which I have bestowed, which I have given all, for which you now come and represent the first Adam in Me; My Priesthood coming forth, My all-believing Priesthood with no unbelief, permeating, penetrating. My Priesthood, My Priesthood of All Believers, all lambs and little ones and leaders who are all together Mine in loveliness and lowliness in Me-ship, being Me completely; grasping fully the Godhead bodily in them (Col 2:9), and that I am all that I am, and I am wholly, fully in them as Me; being now embraced, fully for the first time; time and time and times again and times more coming. I love you.
3. And I yield to you, now your favor is Mine and Mine is yours. My battle is yours and your battle is Mine; altogether one blood (Acts 17:26a), one foe, one force. Together we dismiss our foe. I love you.
4. Completely, entirely, enticingly I lay before you all of My jewels, all of My royalty, all that I am save Me alone. I trust you with My Mine who now come forth questing to be Me, knowing there has always been more.
5. There has always been more and yea, all have known **the promise was fullness of Me. All have known, all have known there was more and that I would walk the earth in fullness in every vocation of Me.** Power, powerful powered by only Me. Me being the power, I am. I am My body, I am the power, I am the blood, I am My New Covenant. My New Covenant now walking in My New Covenant, covenanting with each other to the fullest extent possible, which is beyond realm and reason into the visible of only Me; Unreality for the rejecter: Reality seen, embraced, experienced daily, tangibly by My receivers royal who now come forth; the champions of My hand, the champions, the champions on My steeds, My name on their forehead, My name on their steeds, Me being their steeds, Me being them. I love you.
6. Embrace Me for battles. War comes.

7. I am Me and I settle nothing in compromise. I am Me and I glorify, I go forth and I glorify.
8. My redeemer liveth. I am your redeemer. I have redeemed every error, redeemed your flesh, My blood in your veins. **Go forth now redeeming and releasing The Priesthood of All Believers, everywhere you go, speaking My words, high diving them;** knowing, knowing they, letting them know that they therefore now walk in no condemnation (Rom 8:1) of any lack, of anything in the past, any lack perpetuated, any lack known or unknown; that they now simply walk in Me and walk forth as Me; Me-ship, one; one-ship with Me, The Father; The Father of lights (James 1:17), the Father of all Light, The Father in whom there is no shadow or variableness of turning, whose axis the earth rotates in My hands. I love you and I give you Me.
9. Glorify Me in every situation, in every thought, **no condemnation ever** again for My lambs, not one of My lambs.
10. My powerful be. All power you are. **Now walk in Me in the power that I proclaim that you are** this day as you lead forth the Mighty Many in The Priesthood of All Believers in Me, in Me, The Order of Me, Melchizedek, My Own, My Father, My Son, Us and you, all together: one. And **you who read, hear, and receive; declare and proclaimate this day YOUR day of release; My proclamation of YOUR release into Me.** Pay the price, if you haven't; and enjoy the fullness of only Me, and the Godhead be a part of, with My arm around you, sitting together at My throne, your name card already awaiting you. We say, we speak, we await. Now come and arise and conquer time and space with us, all together one. I love you. Mighty be, mighty are, mighty comes.
11. All the Priesthood reveres now My name increasingly, **knowing for Me, it was Me who died for them that they may die, that they may resurrect, that they may come forth even now a hundred fold so normal, a common return in only Me.**
12. **I give you Me and no death, for death is a forsaken stranger.** Now never again concern yourself with the forsaken stranger, death demised, death diminished, death departed. **See Me in what I am saying and what I walk you into now with My arms unfolded, outstretched; as you walk into Me, as you walk INTO Me as we walk into each other, inter-exchange, a future, this present being, now all together one. I love you.**
13. Lights I give you; lights, cameras and action of only Me. People who at My knee have remained and discomfited not those around them, but drank from Me and My well alone and now they come to demise not but to elevate all those around them and all that they can reach in My Priesthood; **My Priesthood who now operates in the fullness of Me and never again questions whether they are royal, whether they are ordained** (John 15:16 KJV) **of Me The Most High to forgive sins** (John 20:23), to heal, to raise the dead, to cast out devils (Mat 10:18), to walk in the fullness (John 3:34; Eph 1:22-23, 3:19) of only Me, My body, My blood. **My body being My blood in their veins, flowing the bread and wine of My body and their love, My love, and our love together, altogether as one (1 Cor 1:17), through each other, to each other (Luke 22:19; Heb), on behalf of each other and their children--I love you--Reproduction of only Me.**

14. See what I have said and all I have given and what I have come forth in this night, this day, arrayed in only Me, raiment of you now. See Me and you in what I have just said. I love you.
15. Mitts and raiments of only Me come increasingly from the four corners, the four winds blowing the wind of My Spirit, riding on the wings of My dove, My steeds, My hand, My shoulder, occupants of only Me. I love you.
16. Now go, arise, arise and shrink not back, rest in the fullness of knowing you are Me, I am your body and blood, your blood flows in My veins.
17. **See what I have said and what I am saying; one body** (Eph 4:4), **one blood** (Acts 2:26a). You are the body of My Son Most High (1 Cor 12:27) and you walk in meekness and meekness alone, all glory to Me The Father, The Father of Lights, The Father of Light, The Father in whom there is no shadow or variableness or turning (James 1:17). I love you and I give you Me.
18. Cataclysmic changes of only Me, yet see Me in the friends that I bring you now that you have yearned for; no loneliness but what drives you to me; friendships never replacing Me, privileges and portenders never taking My time, My space, or My place. I love you.
19. I give you Me as you come increasingly, as you come increasingly, as you come increasingly and I bring My body many to you, and the Mighty Many (Joel 2:2) that ensue. The droves coming, the mighty masses which now elevate to seek only Me in meekness, knowing that through death they must come (Luke 9:23-4). No self elevation in Me (Phil 2:7). Perpetuation of only Me.
20. **My land readies, My land so ready. My land arises now into your hands,** coming to you on behalf of Me. **Ready be.** See Me. Search not in vain.
21. See My words, see My substance, sinew of sinew, life of life, light of light, life and light of only Me and in whom is no darkness. I love you.
22. I love you light of life and in whom there is no darkness. Shine for Me and beam Me and My waves will wash many through you and your obedience. And the things that you have suffered will come forth, has already come forth as pure gold to Me, and how I interpret those words in My Kingdom. And I thank you and I glorify you this day; and **I meekness you** as you meekly operate with My disciples many.
23. Glory be. Glory and joy. My glory only. Giving Me all glory. I love you. Be Me. Enjoy Me and what I have done, what I have said, what I have spoken, what I have proclaimed this day to My Mighty Many.
24. And you mighty one, My son, My son in whom I am well pleased, I say thank you. I cheer you on. I am your cheerleader, your one and only cheerleader and you please Me greatly. Thank you for caring about My applause only; only Me, only Mine, Ted, only My applause. You operate, remember, for an audience of one, Me (posted Aug 22, 2003). Thank you. Thank you. Thank you so very much for ever giving Me Me. Thank you for giving Me Me so much. So much of Me into Me, through Me, My mantle known in you.

25. Now arise and go forth, all needs met. Every need met; no lack, no shadows, no discrepancies. Thank you. I love you.
26. Give My light and My life to My Barbi, hugging her for Me. I love you and you two do I glorify Me now and My body many coming forth to Tulsa, to Tulsa's many, to many Tulsans as Tulsa grows and expands My base of only Me.
27. Arise and glory be. Amen.
