1. Ted I love you and I give you praise. I come to you so many times, I come to you so many times, like you come to Me, and you have come to Me over and over in honor and praise and I love you for it.

I come before you in honor and praise for you honor and praise Me and you seek so, you seek so to convey Me to others, and to understand and experience the intimacy that you understand and have experienced. You so much desire to take Me to others and convey My kindness, and I am going to let you.

2. I love you and I bless you this day and I will bless you in this place, for WeekWorks comes soon and My glory will be upon you and upon My WeekWorkables—those who come and seek Me, those who are questing after Me and My heart and more, those who are unafraid to step out their boat of comfort, tired of being sequestered in cloisters, in groups of small thinkers protective of what they think they have, not realizing that the more that they protect what they think they have the more they insulate themselves from what they could have.

3. Oh Ted I love you and I bless you and I love you and bless you reader hearer listener wonder-er ponder-er. Thank you for even reading these words, listening to these words. Thank you for the hope that springs into your heart, you who hope that these are true, and are open to the truth in them, in Me, and what I desire to do through you. Open to Me and I will give you My words. Open to Me and I will speak and I will flow as rushing waters, rushing waters of living waters, living waters that satisfy your thirst like no other water.

4. Quest after Me and let Me do what I want to do in you, maximizing your potential in Me through everything that you give Me, and opening venues to you that you have yet to imagine, that you have yet to be able to even comprehend that will open to you, that will open to Me, and in opening to Me, will be open to you.

5. I come and I call and I confirm and I open to you, I am open to you, I am open to you, I am so open to you, and coming to Me is so easy. Come to Me today while it is so easy come to Me, while I have granted such peaceful entry into Me. Come, come coexist with Me in Me, with citizenship-dual in My kingdom, increasingly, acceleratingly, increasingly accelerating in accelerators of My spirit. I love you and I bless you.

6. Come networks make, WeekWorks make, Universities make, develop My plans complete. Share splashes of Me, coloring Me, imaging Me, to all those who want to see

Me—innovation creativity personified, walked out in the flesh by My submitted surrendered consecrated network-able WeekWorks graduates who Universities make.

7. Graduate not the unready. Tender be with all, loving every single one, open to all Ted, open to all. I will see and I will hear and I will feel and I will become, and you will see and hear and feel and become, and they will see and hear and feel and become and all together we will do things together, arm in arm, hand in hand, eyes to eyes, not turning our faces aside from each other but looking fully into each other's face with love, deep love, joy, respect, honor, kindness, patience, tenderness, joy, affirmation, encouragement, nurture.

8. I am Me-ing you and you are Me-ing My body, for My body is increasingly becoming one with Me intimately, to reflect Me and be Me with My body. I love you and I give you this day. I give you honor.

9. I give you the land—the land is yours, it comes, it speaks, and it speaks of Me, and it cries Holy, Holy, Holy is the Lord, Lamb of God that was slain from the foundation of the world, resurrected Christ, by Him. I live, I speak, and I will speak from this land. Always will I speak, and I will speak from lands many through this land and through WeekWorks all over My globe.

10. Now graduate the ready. Tender, loving be, and let Me speak continuously at My WeekWorks. Let Me speak continuously, let Me speak even through those who you may think don't know Me at all. I come and I speak and I will give My words and I give My words and respect and honor and love displayed. I give My words and I will show, I will show them all. You will participate and you will be glad because you will honor every single person, the handiwork of My hands, the craftsmanship of My heart. I love you and I bless you.

11. I am My New Covenant and My New Covenant comes, respect and honor comes to My body, for My body, throughout My body, working with My body like never before, bowing before Me, bowing before each other with tenderness and meekness, honor, respect, joy, and laughter and integrity of a pure heart, integrity of commercial transactions, integrity of word, integrity of thought, integrity of spirituality, integrity of mutuality, integrity of respect for kids, women, young, and old, of every stature, every class, every thought tried, every heritage and lineage.

12. Honor and respect are values basic to Me and My kingdom. Come before Me with arrogance not, not one of you. No arrogance stands in My presence except to be abolished and cast into the fire.

13. Now seek Me. My WeekWorkables come in joyous expectation—anticipation grows, My word grows, My word comes, My land comes, My answers to your prayers this morning are already provided.

14. Walk in emboldenment, walk in power, walk in respect and honor among the respected and honored ones that you now walk beside with and in their homes, their mansions, their palaces. Walk Me, and know as you walk, you walk up those steps, you walk in those doors that you walk Me, Ted, and that I walk you there, and that I walk you there, simply because of your surrender, because of your compassion, for your seeking My judgment, seeking My discipline, seeking My correction, and all but demanding that you be not deceived—the cry of your heart coming to Me day after day. I love you. I love you.

15. Seek Me for correction and never stop seeking Me for correction and never stop seeking Me for judgment and never stop. And I will come and I will call and I will confirm My love and My tenderness to you, and I will appreciate always your coming to Me for correction, discipline, and judgment. I love you Ted.

16. I love that you love My body and that you are so desirous of propelling them into the maximum potential that they have, that I have already embodied into them, that they have yet to understand, see, feel, and walk in. You have desired to propel, you have desired to set free.

17. I am My New Covenant and you are Mine, and in My New Covenant is freedom. You are free now to pursue your course. Pursue on with passion this day.

18. Call, present, ask, beg not, see those I have given you, hear those I have given you, and feel Me in every transaction, feel My heart, feel My words, feel Me, and I love you.

19. I give you this day.
Healing comes, healing comes, healing surprises you, but it doesn't surprise Me, for it's My plan, My desire, **simply My desire—healing—your hands, her hands**, My people.

I love you. Go enjoy. Corrupt it not by complaints or compliments, surplus or shortage, or any aspect of understanding or understanding not.

20. I love you and I give you praise this day. Walk forth in Me, walk forth in Me in power, respect, honor, and glory. Let Me radiate from you, increasingly Me to My body. I love you. Enjoy Me, enjoy My words that come more and more and more. More and more and more they come, more and more expect them, joy in them, anticipate them, be ready for them, prepared for them, and let them continue to come. They come and they do what I want them to do. I love you I bless you.

21. WeekWorkables make and propel into astro-vehicles for Me, coming before Me, and their hearts pure, purified in Me, purified in them, purity going forth to master disciples make.

I love you and I bless you.
Enjoy Me this day.
Good day.
