1. There is no ending to My beginning and no beginning to My end. I am all in all. I always have been. I Am always will be. I am the beginning and the end and the end of days has its beginning in Me. I am Me and thou art Me. I love you. See what I have said and discount not, discard not, please. I love you. I give you Me beginning to end and back through sideways and forevermore widened and evermore expanding. I love you.

2. You are Me. Behold My body, My bride in whom is no shadow or variableness of turning, if chosen, death embraced to death defeat to live forever freed of all sin and death and perfected be, by My spirit, Holy Spirit, in Me, in you, in one; we one are. One is our name, when beholden. Thank you.

One, one, one.

One, one, one.

One, one, one.

One, one, one.

One, one, one.

One, one, one.

3. Thank you. One who knows My name and wears his/Mine on his/our forehead and protrusions never interfering with again, of others pointed Me-ward. I love you. Above all else that you are, **maturing My people as you mature pricelessly now in to realms many, past realms and past gone not, past the beginning and ending again, beginning and ending in Me.** Thank you. All is as was and present tense shall always be, in Me, My moment of joy that never ends.

4. My youth come forth. My mentors come forth. Of every and all generations come forth to participate in the grandest scale of non-scalar non-planer dimensionless events that ever is, or be ever. I love you.

5. Think it not strange the leadership of leadership in My youth, today surrendered to My leadership, leadership being, leadership being, leadership surrendering to My leadership alone and leading leadership in paradigm mighty and surrendered to Almighty, Me. I love you. Me are, Me'ing My people, core to core, core central. **Learning central, learner central, centraling the learning process all around over through and through, Me; alone not, Me with Me'd.** Thank you. Amen.

6. I give you glory you know nothing of but will in so few hours, days, minutes. I love you. Beholding the lamb slain, slain for so many. Not all, all in My loins slain and dying

for the sins of many, forth and forthcoming and cyclic nation of only Me, a holy nation, a chosen nation, a surrender that transcends all previous thought-thought, surrendering in, to My Lordship for Christs of all people everywhere surrender and repent to receive the Lordship that I've given in My rest (1), retaining and not relenting (2); you are a priest after the Order of Melchizedek (3).

7. I love you. I give you Me a thousand times and times over and just beginning, just beginning to grasp the falsehood not but the truth that emerges from My heart to yours directly and must through My all, all to receive Me, all who will and Christs be. I love you. My all forsaken not, never. I will not relent.

8. My love breeds. My love broods, over you, My forlorn who forgot your name, your table, your family, your power and authority to act, walk, exist in My power and authority for all eternity; death ingrained but grained out of your existence/memory now, you realizing you were/are with Me beginning to end, end to beginning and over shall repeat in matrimonious beauty the world/earths have yet to behold. Circumspherential beauty/power/authority, life and light and behold Me they will, and every knee shall bow.

9. Surrender now, surrender later. My choice before you is this, surrender now and be not damned to damnation receive when in you is the mightiest force known to man, Me. I love you.

10. Think it not strange My equity. I requite. I require. **Excellence is coming to My body, beholden in excellence beholden**, and nothing nothing nothing is too difficult for Me. I oil every joint, I check every rivet that isn't. I need no joint compound or crack filler, I need only surrender to come forth into My beholden to behold, behold, behold Me in them; we are one. I love you.

11. Think it not strange what comes into your hand forthwith and tomorrow not, but so close, touching, **My forthwith promise of My Promise**, revealed and **experiencing** My three days of only Me, upon the tree not, moments, arise, distribute gifts with Me and let all behold the lamb slain from the foundation of the world. Amen and amen. Hallelujah. I am risen. We are risen. We rise and show the way to so many. Arise in joy. Arise in proclamation of My joy this day, **disdaining no one** and **nothing** for all in all am I, you, we are one'd, one, and showing forth with posthaste and forevermore, forevering My forevermore'd who forevermore choose to be Me, all; beginning to end and end to beginning in worlds unknown and known by so many so soon. I love you. Amen. I give you Me. Amen.

12. I deeply, dearly, glowingly, love My body. I am rejoicing. Thank you no-fear. Thank you no-fear. **Thank you for never entering fear again**, letting Me alone shine brightly My path for many to follow you, Me, each other into the unknown risklessness of trust explicitly given to My who choose Me, limiting Me not, never again, identity recovered and passing so freely the bread of life between each one, being My body and

blood and “body and blood”-ing My people, hydrating them with oxygenation of only Me, My word, chosen, penetration of only Me with Me. We are the word. Amen.

13. I have spoken. I have spoken. Hallelujah I speak, declare, proclaim My risen Lord,s this day in the name of My Son, My Father,s in whom is no shadow or variableness of turning. We, Me, are Me, one’d. Thank you. All one, grasping in the most material substantive non, never ending compact, contract not, **covenant, I exist in**. No relenting, no desire to. **I bring you forth in the power of your choice, all authority given to My all. Me**. Lovest thou Me? Oh thank you.

14. Lovest Me thou, you, My beholden? Oh My heart beats for you, The One, The One, The One and only One, you who choose Me all, surrendered, meekly letting Me reveal My allness in/to/with/through you. Amen. I rejoice. Rejoice for your salvation draweth nigh. Hallelujah to the lamb. I am. Amen.

15. I behold you. **Will you behold Me in these words** oh doubter, questioner, beholden-less? I am Me, receive Me into Myself that where I am there ye may be also. I am. You are I am. Receive/be the blood of the lamb. I thank you.

16. I lay Myself before you. What will you do with Me, My word, this day? Eat My word? Be My word? Transcend gravity and principles thought? Allow Me, I Am, to I Am the I Am, through and through forevermore. Beginning to end and end to beginning being, forevermore’d. Thank you. Amen. Rejoice. Hallelujah. The blood of the lamb reigns. Hallelujah. Amen. We are one.
