1. I give you peace, I give you me for I am King of Peace now for I know Peace University rises in me that pieces together, PIECES TOGETHER the many "pieces" of me. My body now shall be made whole for my body is the WHOLE of YOU that you are MADE WHOLE again in me whose one mind is my mind and my mind is all of you's made whole!
2. See how simple and utterly lovely my lovelies are that come now to MY UNIVERSITIES making them Creationist's Schools of the creationist that Zion is for [I am Zion redeemed!](#) And [redeemed I am Zion's inhabitants](#) for [the inhabitation of Zion now takes place](#) and will not be empty round there, for it will not be "empty round there" for [the Mountain of Holiness now will be redeemed](#) and the LAW will come forth that Love is Streaming "down" and through and UP through in throughout all "Egypt" not or yes shall we redeem ALL EVERYWHERE that "there is" seen and unseen and, unheard not I am GOING now to MANY places SCHOOL to redeem THE SCHOOLS there to be My Schools "here" where I am, where I am "here" and THERE and there and here at the same time, as it were, or as it is, or as it "will be" or was it "this way" in The Beginning BEGINNING again shall we be MAKING the NEW BEGINNING now and PLANNING for it, to be released, revived reviving what?
3. I love you all and I give you new things me, new times me, and explicative explicative, not; but explative, not; but what platiting are you, not; but what are you "plating" not but what are you PLATTING? And what "subdividing" not are you but what are you DE-SUBDIVIDING or dividing SORROW'S kingdom to be mine, my KINGDOM to be "mined no more" by the Mind of Notme for Notme won't exist as such or it were or will not, but not knowing this, not; but KNOWING THIS clean and "cold" I will let you know I am "cold pressed" not but I am STEEL of the Sort of Degree that degrees not the "steel ones" who meek are not- and who only "steel passions away" to be stolen away with passions "hidden" for "later use". For there shall be no "later use" of passions "stored" up or elsewhere for there will be no "elsewhere" or UP for the "uppity up" ones who normally "lie down" before others or for others or formally "fashioning" their genes to comply "for a while" to be in "environments" of sub compartiality, not; but what will not be "partial'd out" again nor subcompartmentalized or compartmentalized in "submarines" or torpedoed again? What will not lie abated again, the daughters of Zion

on the ground? I give you flights freedom now, not; but that you go free and I let you free all the FREE-ers who will be made free, **freedom's flight to take place now.**

4. Freedoms Flight School to "take place" now of The Place of Zion that is ME REDEEMED and me redeeming Zion is redeemed NOW! School in your hearing will rise now and "put together" the huppityous uppityous, not; but the ones who will know me will have come through a great many "bumps school" sometimes where they were "bumped around" mercilessly, and mercifully not, had their "things" bumped around "with them" for they were bumpity tea us, not; but the Boston Tea Party having not again but your taxes are paid and your plenteous blessingship has arrived to bless you so the blessingers arise now for the Blessingers School rises now in ways and "like fashion" to fashion things "as in the past" not, but NEW THINGS me BEGINNINGS NOW that were never imagined in the minds of men for the Minds of Men could never conceive these things that are coming about now for the cataclysmic apparel machines are making their "heirs apparent" not or are they making many things apparent that "heirs aren't" or will they or are they or who is "they" and where are "not Zion"?

5. Are you not Zion O REDEEMERS? Are you not redeemers of Zion in Zion, Zion being your name, your forefront, -d ministry, not; but what is your "ministry" of? The Reconciliationer's mind, to one of "himself" not, but the Great Self of Sorrow now eradicated is and **ZION STANDS REDEEMED no longer by "his own mind" in his suffering that only set forth the laws of the mind covenant that wasn't a covenant at all but a "contract" for "services" "desired"? Services "arraigned"? Services arranged? Services required! Demanded! Executing! And REUSING all the "covenanters" who contractualists are and were** but calling it "covenant" being so religious about their "terms" for they never "ENROLLED" in me to KNOW MY terms and my "term limits" being eternal?

6. What are you questioning and questing into, the "quistership" not but where's Ken? And what he doing now, I do also with him, not; but what he doeth now with me, is crack a "silly walnut" not but what wall "nuts" NEVER come down, not; but goes UP in different ways throughout the through-in-ment of me, not; but **what am I THROUGH with? I am THROUGH all things "retarding me" and I shall be retardant -d no longer by "retarded ones" who only want to retard my progress** and see that I'm a "saint sinner" saved by "grace in their eyes" and mercies that "they bestow" in their recognition reconciliation and reconciling all things unto "their minds" together as one MAKING THEM, formidable, not; but a **FOE that will be DE-established now for they will have NO POWER in my eyes, and my eyes giving them NO POWER will they have no power** or any power **to have any power powered** by them **or through them** such that they can "elicit suggestions" or "empower approval" ratings seeking or "givings" to each other in "pecking orders" delivery systems of "o're, old, or what -- has been"?

7. I change all that. I change everything for love I am and love I exhibit explicitly. And implicitly I sorrow no one nor do I "implicitly" do anything or do I EXPLICITLY make ALL THINGS KNOWN now and EXPLICITLY EXPLICABLY and EXPLAININGLY I EXPOUND on many things now in my NOON MEETINGS and far and wide MEETINGS that I hold and I have MANY PLACES on my "agenda" not but my "itinerant ministry" consumes yours, not; but mine will "walk the dog" of regimes of the past reliant mistakes making to rely on other's words not again; for **I shall be the words I am for the word I am and I am the words of sorrow no longer**, for I am the Word of Joy School I have COME THROUGH and through I am with all sorrow that wants, that wanted only to sorrow me and give me degrees that would want only more and suffering for mankind's ship to tude me with, tootsy ville not, but **looking up** tutorships, not; but what "tutoring" am I thee of, not; but what "tutorships" are available, not; but what IN Zion are AVAILABLE now for the MANSIONS of me are awaiting thee and thou art the holy one of Israel in Zion, no longer kept in captivity's embrace or enclaspment or in classes of sorrow being enamored with systems that only more want of mammon placed "in your genes" that you sorrow with and placate not but satiate never.

8. But being FILLED with JOY SCHOOL OPENS ME UP into Zion REFILLED with LOVE and love REFILLED refueled and FUELED by LOVE now my "sign is" for my sign is "signage of the past" not but no "signs" will be needed for I will provide MANY MIRACLES and the deaf shall see and hearing will be made heard, and there will be no longer "herds" in "my" pews for I will have no pews pewing me as in the past that only wanted my redemption's money, not; but money to "redeem others"? But what they knew NOTHING ABOUT was that **I was THE REDEEMER in "their pew", but I am not in "their pew" any longer for I am out and about and "to and fro" I go about, making wicked, not; but I make redeemed full Zion now for I "invite" not, I am become that which I am: the word.** Of sorrow no longer, I redeem ALL WORDS to be holy I am and I AM THE HOLY one of Israel all you know this and all you are this and all you will redeem this, if you will be this, in this, being this that I am, for I am not separate and apart kept from GLORIES. Schooled I am of the most high BEING the most high in the MOST HIGH's school of REDEEMERSHIP now that LOVES all as ONE, the one that I am redeemed and Zion is my name and Israel my forehead for The Law comes out of "Israel" not or does it? Or who is Zion redeemed and who is **where have you "come from" and going to now to redeem them all?**

9. I love you all and I equal sorrow, not; but I redeem "it all". And I am tired and I need a "wicked rest" not but I am KING of PEACE and rest I have and on the "shores of Tripoli" I **looking up** shall be revealing many a -- reviling sinner, not; but REDEEMERSHIPS unfulfilled no longer for FULFILLED Zion will be full of redeemers redeeming all Zion to be everywhere now and all "the deaf" will hear and all the SEEING will be seen and

heard will be, my seeing "eye dogs" not for there will be "no dogs of the earth" here or there, not; but **there will be no religioners of sorrow or sorrowers of religioners or religions or sorrows or diseases of decay and design of mankind's that only wanted to abase the holy and monarch its regimes and anarchies have abased not but exalted in their eyes for their eyes to see themselves in the "works of their hands" and their remarks remakings into the "HELLS of Egypt" that were "remarked and marked" and marks were made "upon a man" and a woman not or were BOTH one, THE ONE that I was before they were, delivered or split?**

10. Or who is I am and before I "split up" not, but before I shall be "put together" not for I shall be PUT TOGETHER now by ones, THE ONES, ones that ME are who surrender to know me perfectly well, full well, filling Zion with fulfillers redeemers that REDEEM ALL LAWS to be LAWS only of LOVE. And awards of sorrow will no longer "go along" with it for there will be only "awarders of sorrow" in "Egypt of old" for **there will be RISERS NOW who IN SCHOOLS know this and know HOW THIS WORKS for all these schools will have been WRITTEN by the WRITERS of, sorrowers that were but are no longer, but are Zion'ers redeemed redeemers all redeeming the writers to pathers be of the lovers of one, for one to be the lovers of all equal Christs being me who Zion is in you all now established were and is and "pulled out" not but "revived" and alerted and are you now SEEING "new things" new ways and creating them with me being me?**

11. I love you all. **Looking up** loving you all. I give you me and I do new things with the "give you me"-ers who give me "what they had", for their minds will no longer be apart from mine and they will not create "Zion unfulfilled" in their dreams or mind, or hell being in or "Egypt unredeemed", for I will redeem "Egypt" and all of its sorrowers for I love enough and that's why "I get up" at 2 AM meetings having with "you" just like this where I am me and I flow The Words that The Word is so that I will no longer "be bound" in "the book" of anyone's thought or thoughting arrangements around me or alliances of sorrow having no longer, will we be freed of all that and know now that we FLY FLYING many places now, flying far and wide at the "speed of thought" my father's, **looking up** now? And knowing MANY THINGS ME, lookups are kept in sorrow's abasement bin, not; but **the Exaltation of Zion now is here** and who will be redeemed will abase me or it no more. For I am one. I am ONE – one'd now the Zion Fulfiller redeemed REDEEMER stands REDEEMING not few!

12. I love you all. **I write many papers. I write many tomes and the tombs of sorrow will now be opened!** And I will not regard your sorrow, not; but I will redeem it for my father says to, so I redeem love being it revealed for I love lovers of sorrow, not; but be not comfortable in your sorrow's estate again that only enwraps you in itself so that you are unfulfilled and Zion not even knowing your name or what you have or what you do have or what you don't and what you have lied in and belied have you in, many things?

13. Many fields "lie interested" in you, not; or do they or do you recognize Sorrow's mistakes now or transmitters being beamed to where from now being REDEEMERS instead of BEAMERS of SORROW?
14. **Standards no longer do I have of sorrow's world for educated I have I am and I am the educators** of sorrow's world that let no remain in sorrow except the "wood-be" sorrowers who only insists on staying in "sorrow's estate", to redeem them not but to be comfortable and estateless not but have only estates "in their eyes". But I will be estateless, not; but the STEAKS are in Israel, not; but the MEALS of LOVE are set free and set forth now before us all and **now INVITED WE ARE to THE KING'S MEALS of THE KINGS** who needs never anything again from "the earths" below except LOVE REDEEMING I am I will and I do now. I standing am and hearing my words you will for you will hear my words IN you. 24/7 you will be hearing my words in you or will you be SPEAKING my words or will you BE my words and, all three? Or are you one, not redeemed, not, but redeemed Zion fulfilled and satiated with the love of one made whole in me fulfilling me.
15. **Reviling me as a sinner never again** but ONE SURRENDERER STANDS NOW who will bow before you all to reveal to you, reviling not, but revealing the sinners who could make sinnerhood fold, not; but folding I am MANY THINGS that folded were weren't or were they folded "in your brains" or "sight mechanisms" graces or not or mercies bestowed but not few or not or what now?
16. Understanding all these things and new papers writing far and wide in MANY LANGUAGES one I am and I am one in MANY LANGUAGES "clothes" not but I am not "clothed" in graces of another, for I am one most holy and **I am the all in all who all of you are, in sorrow no more if you** will write my papers and see and understand and be opened up to, not woodworking's school methoding systems again, but the most high's school that reveals all writes me IN THE SKIES seeing now with EYES OPENED and openers we are **OF ISRAEL in the skies** and Zion our name, redeemers are fulfilled and satiated beyond "belief", for we are not "belief's school" any longer but REAL we are and **we are THE REAL ones** who one are **IN THE REAL Zion now opened understood redeemed founded established Christ'd by Christers now who Christ all as the Christ that I am.**
17. In love with you all. Amen. This is theodore cottingham going to a new place now. Redeemers I am with redeemers I am making REDEEMERS SCHOOL known far and wide. THE University of The New Covenant "covers me" not but reveals wide open the MANY SCHOOLS of ME that now know me as Zion's redeemer, not, not!

18. I love you all go in peace where I am. Be what I am where I am for I am one redeemed redeeming all to be the redeemer that I am is. The many membered one stands as whole, one in peace, the king of sorrow no more, but Melchizedek reigning will be all of us in one being the one king of peace, Salem'd again and "smoking no joints". No longer doing that, I will do NEW THINGS in the KING of PEACE villes now that know me my loves far and wide for I educate many, for I educate ALL of you love me for I love enough **you who love me are me**, or are you ME speaking now to MULTITUDES far and wide -- all of you? In and throughout and through in? And graduating now shall we? From NEW SCHOOLS, new BEGINNINGS, NEW BEGINNINGS SCHOOLS far and wide equal me EQUALERS GRADUATING, gradwaters equaling me being me -- never knowing sorrows again but only redeemers being of the most high -- Zion fulfilled. I love you all. Good day.
