

### 1.2.99

#### a Lesson in the University of The New Covenant

Theodore Cottingham, July 21, 2004 - Tape 27

[www.unc.bz](http://www.unc.bz)

1. I am starting a school and you will watch Me. I am starting a school, My school. I am starting a school with My values, My peace, My judgments executed, displayed, personified in Me and My Mine from day one--the organization, the structure, the Board, the timbre, the mortar, the fiberglass, the glass, the timbrels of only Me. I love you. My sounds, My sights, My school of only Me.
2. I come and I call and I confirm that I am raising up My school, My school of schools to schools birth, to schools of prayer birth all over My globe, My constellation of Me, the work of My hands showing forth the work of My hands, the love of My heart, the words of My mouth. I love you.
3. I give you Me and I call and I come and I constrain not but I compel you, I compel you to come and I compel you to curse the darkness not, but to come and be a part of My school, be a part of My faculty, My staff, My students, My administration, My research staff, My assistantships, My internships, My lawn keepers and My care givers. I love you.
4. Scientific research at supersonic levels, watch Me, watch Me, watch Me quark you, watch you quark My scientific researchers who will at My knee bow and bring Me their research, bring Me their findings and come lay before Me prostrate, seeking not who they may devour, but what they may divine from the only Divine, the One Divine, the Crossed One who on the Cross is no more, but lives and speaks and breathes evermore, speaking through the temples not made with hands. I love you.
5. I give you Me and I come and I call and confirm that I am in these words and I am calling you to My school. I am calling you to build My school. I am calling you to come, confirm--your name on its roster, your name of givers, donors, contributors, pray-ers, lovers, loving My school, loving My school systems, raising up word say-ers, wordsmiths of only Me, that conjure up words from their tainted interests not, but drink-offering'd are and remain at My knee day after day, coming and going constantly, to and fro from Me, My heart, My Holy of Holies in them, My Holy of Holies in them back and forth--**worship central, education central to be commerce central** breaking forth the bread of commerce, breaking forth the bread of the land and the land and every land; lands poverty stricken, poverty destroyed. I love you and I give you Me.
6. Now I come and I call you to My school. I call you to WeekWorks. I call you to come and share what you are, and who you are, and what you have, and be freed increasingly and release that which I have given you into the earth.
7. Release what I have given you into WeekWorks. Release what I have given you into the people that will come and flourish you and put you not down nor ask questions

which demand and debate and destroy, but lift you up, lift and intercede for you and release what you have and who you are.

8. Now I come and I call and I confirm that I am in this. I am in WeekWorks. I am WeekWorks, I was in WeekWorks #1 and I began, I began My model of WeekWorks and My WeekWorks will continue and build on that model, but fluid and flexible and dynamic be, and ever so increasingly.

9. Yet My words will come, My words will come, and My words will flow from those who at My WeekWorks come and lay their lives before Me and each other, transparent be, an open book be, sharing what I have told you, what I have shared, what I have given, **what I am; you saying who you are, who I am, saying who I said you are, and letting them be one--together, together, together--one--leadership.**

10. Now leadership, come be at My knee, leadership come be through My university of universities. Hesitate not to proclaim these words. Shirk not back your responsibility, your call, your cup--now you are leading, lead.

11. You have led and you are leading, and you are leading forth and you are leading mightily and you are leading mighty armies of Me. Now you who hear Me, read these words, and listen to these words--come forth, come forth into the fullness that I have given you. Come forth in the freedom, to freedom-makers be, and freedom-makers make, and My universities, My classes of Me, My schools rising up across lands many, perpetuating Me, and destroying destructive untruth and that which has held you back, held Me back, that which I will stand for no more.

12. I come and I call and I bless you and I give you Me. I bless you, now bless each other. Bless your spouse, your kids, your parents, your influencers and those you influence: every transaction that you now have, henceforth see Me.

13. **I come and I call and I confirm you to see Me in every transaction, every conversation, every exchange of eyes and ears and words. Now, henceforth, hereafter, now and forevermore see Me, see Me, see Me in My people, see Me in My people that you have loved, see Me in people that you have hated, see Me in My people that you think are worthless and valued-none, and know that I value every one of you as much as I do Me.**

14. I am Me and I am you, I have put Me in you. Now come forth as Me, come forth as pure gold and more, the word of My mouth being manifest in the earth, flesh and blood giving way to the Divine, to Me. I am the Divine, I am the only one that's Divine. I am the Divine. I am Me. I am God. I am the first and the last, the alpha and the omega, the beginning and the end, and there is none other beside Me. Now listen to Me and let Me flourish you, flourish you, flourish you and bring you freedom, freedom, freedom, and not rule book and prescriptions and prescribed manners and ways and customs of doing things with ramifications and reparations that must be provided when you don't heed every rule. I love you and I give you Me. I am freedom, I give you freedom, and I call you to My school. I call you to WeekWorks. I call you to come now. I call you to come. I call you to come and I call you to help others come. I call you to help

scholarship others, I help you to contribute. I help you to contribute, I place this in My heart and I place this in your heart now and it will not leave your heart.

15. You who have seen Me, you have seen Me some, partially, molecularly, cellularly, ever so tiny droplets occasionally, some of you sometime thinking you have, hoping you have. Oh, you have seen Me so much more than you think you have seen Me and you will see Me so much more. Now release Me in you and release your ability to learn in Me. Release Me.

16. Release Me as My University is come forth. Come and be a part of My school. Come and be a part of My school system which arises, arises now in every culture and every language; multi-cultural-izing, multi-Christ-ing-izing My forces, the work of My hands who meat meeker-ship drink offering'd are--leadership, followership combined; coagulated, coalesced, forming Me. Look at My blood. Look at My hands. Look at Me and what My Cross did. I love you. I give you Me. I give you Me increasingly.

17. Help My schools. Call forth My land, My lands many, My land on which schools reside. Come and be one, one, one as I lift, as I lift My Kingdom, as I lift My Kingdom and I display My Kingdom on the earth--now increasingly, free, free.

18. Complain, complain not but create.

19. Inquire, inquire and interrogate not.

20. Inquire, ask questions, come, seek, be open, be Me, be Me as you inquire of Me. Be Me as you inquire of Me and My schools and see what I am doing this day. I love you and I give you Me. **I give you the ability to participate. Will you hear Me? Will you come? Will you call? Will you confirm** what I am, who I am, what you are, who you are, where you came from and where you are going? And your cup before you? Will you drink your cup? Will you share? **Will you one become with My students globally and globalize yourself in the process?** I love you and I bless you and I give you Me. I come and I call and I confirm you now. Stabilize your emotions. Stabilize and accelerate Me and come, come, come for pier-ing, pier-ing, pier-ing, foundation-ing, foundation-ing, repentance, leadership, leadership, meeker-ship, one-ship in Me, being Me, and Me-shipping others. I love you.

21. **Be ye perfect therefore. Be ye perfect therefore as I am perfect. I come and I call and I give you the ability to be Me. You've had it always but now revealed, revealed in My New Covenant,** My bread and wine, My King of Salem, King of Peace before you. I love you and I give you Me. I speak to you, I speak increasingly, entrepreneurial be.

22. Come and be Me. Come and participate in My school and help My school jettison forth those who have been so timid and shy. I love you. Come forth. Come forth.

23. Come forth this day contribute, intercede and bless Me I do. Bless you I do. Bless Me you will. And I thank you. **Inquire, inquire, prepare, participate.**

24. Now is the day, now is the day. I call unto you this day, July 21<sup>st</sup>, mega-day, big day, substantive day, a day of remembrance, a day of cataclysmic change, a day My river

risers and comes forth, flowing, flowing, flowing to the mighty, flowing to the meek, flowing in measure unlimited My spirit is.

25. **Didn't I tell you the day is now, the stampede comes**, arrayed, arrayed in My regal-ry, horses, battle, it all occurs, it ensues, it's now. You cannot stop it. No one will. No one can. I raise My sword, I raise My hand, I raise My Word, My word, My hand, My sword comes forth now separating bone and marrow. I come, I call, and I confirm. I love you. Bless you. Bless you.

26. **Now you who so isolated have been and thought you had so much, come and participate**. Come and **open, river be, bedrock of My principles, bedrock, river be**. Now come and share.

27. **Inquire and seek how you can be part of My school, My school, My school of schools**, My schools of birth, the schools of prayer, intimacy and practical creativity in Me throughout My global-ized nations. My global-ized nations, My global-ized nations hear Me, see Me, see what I am saying, see what I am doing.

28. Now participate, think of the alliances, agreements that I have spoken of before.

29. See how you may agree, not how you may divide.

30. See how you may support, not how you may destroy.

31. See how you may lift up each other and in so doing, lift up yourself, lift Me.

32. When the Son of Man comes before you, hear "Well done, selfish not you were." I love you. **River be, river be and river Me**.

33. Thank you for considering, thank you for bringing these words before Me and on your altar lay before Me and I will confirm, I will speak, I will give you My words.

34. Open to Me. Open to Me. Test Me. Test Me. Open Me, open Me, open Me up. Test Me and see if I will not pour out the abundance which you have not even let yourself dream of. **River be, river be, river be**. I love you. Amen, Amen and Amen. Amen.
