

1.3.34

a Lesson in the University of The New Covenant

Theodore Cottingham, February 14, 2005 Tape 114_3 2:30 a.m.

1. You are holy for I am holy; I am holy and there is none other beside Me, I am in you and you are in Me; and I am holy and you are holy and set apart for My purposes; set apart for My kingdom; set apart for My who will come into Me and seek me, seek My face, My hand; seek Me for who I am, and want therefore those who can propel them, accelerate them in Me. I give you Me and I give you to Me and I give Me to you for I am you and you are Me; I am holy and you are holy, and holy you make My family. I love you and I give you Me.
2. I give you eyes wide open to strengthen and nourish My body and be unto them Me, be Me unto them, be Me unto your world, be Me unto those in your sphere of influence; to be Me to those who know Me and those who know Me not; yea, to be Me to each other, to others who are Me that are being Me to you and to each other. Yea, My body synergized exponentialized, exponentially synergized.
3. I love you and I give you power; I give you might; I give you glory and dominion, watch Me. Watch what I do with surrendered power, surrendered glory, surrendered might, surrendered dominion. Yea, leadership not ashamed; leadership not beckoning to their own; yea, leadership not leaning to one side or lifting ones self but, yea, lifting Me; My blood, My Cross, My life. My joy and laughter now as I lift My ones in holiness and righteousness and purity, without which no one will see My face. I give you Me.
4. The demisers diminished, the deceivers decimated. Watch Me. Watch My hand slash and destroy, scathe that which has scathed My body, My lowly-thought, that they valued only for their own purposes. Watch Me.
5. Watch Me burn the minds of those who could have been holy and enjoyed and walked in My righteousness. And, yea, been set apart for the good things, the glory and the lifter of My head. Watch Me.
6. Watch Me burn the mighty and those who are so self-propelled, self-acclimated, self-acclaimed, self-righteous thought, self-dignified, self-wisdom'd, operating in wisdom not of Me, ways not of Me; and not according to My values, My heart.
7. Abide in Me and My word in you. Ask what you will and it will be done for you. Ask, seek, and find. Lo, and behold the man of sorrows, acquainted with grief, standing in front of you. Watch Me. As it were, precious in My sight; you know whereof I speak and the turmoil which will overtake so many.

8. Abide in Me and My words in you. Ask what you will and it will be done for you, in you, with you, you in Me, with Me, for Me, us, Me.

9. See what I have said. See what I give and continue to reveal, the power of the exponential synergy, the synergy exponentialized in Me, of Me, of My body operating as My blood, My body and blood--Watch Me--Serving Me to each other in righteousness, holiness, equal in beauty. Watch Me.

10. Thou art holy for I am holy, and holiness comes to My body, My church, My body who thinks they are church, My church who thinks they are My body, My body who thinks not church, and My church who thinks not My body. Watch Me.

11. Encompass Me. Watch Me encompass Me and limit Me not, **limit Me not to your dreadful definitions and delineations of boundaries of what is My body, what is My church and what is not; what is woeful; what is legal, what is tender.** Yea, watch Me. My word revealed; My flesh made word; My word made flesh. Watch Me. Watch Me enter you, watch Me intercede, watch Me inner explode and interexchange My heart with yours, **watch Me blood transfuse you as you drink My body and blood, be My body and blood, melt in My body and blood, and yea, become love to each other: Me.** I love you.

12. They will know you are My disciples by how? How? How My friend? How My body? My church? How? How? Not by programs, not by plans strategic and flopperly, programs that flip and flop and change with the winds, the seasons and times trying to attract and repel. I love you.

13. Watch Me, forthwith, posthaste, with alacrity expeditiously bring My value system, My plan, My program; yea, which is My love, the simplicity of My love, the beauty of My love, the heart of My love, the love of My heart.

14. See Me, please see Me; please hear Me, please know and grasp what I have said, what I am saying, what I am sharing, what I am receiving, what I am repelling, yea, what I reject.

15. _ is so powerful; is it of Me? Is it of Me? Is it truly of Me? Are your objectives pure? Are they tainted? Are they holy? Remindful, remising? Are they miscible? Yea, are you remiss? Have you forgotten Me, My Cross? How I ate with sinners? **How I crossed all lines of authority and every boundary?** Yea, watch Me.

16. Watch Me blast the mouths that blister and bluster. Watch Me. Clean Me, clean My house, saith The Lord.

Clean My body then lift their head.

Love each other and love be.

War not against the war one; yea, respect and one tree be.

I love you.

17. See Me, see Me, please see Me.

Please enter into Me more.

Please come unto Me.

Please come unto Me and let Me give you who I am, what I have, what is waiting on you, for you, for your hand, for your heart, for your present, healing all past. Yea, healing the future of so many; you being used in Me, ways so many: Me, Me, Me.

Allow Me to come and rearrange, replace, mend, heal.

Will you allow Me to uproot?

Will you allow Me to cut off?

Will you allow Me to destroy the works of darkness that you think are light that you walk by?

Will you allow your world to become introverted, extroverted?

Will you allow your world to be jumpy, jilted?

Do you think you will control Me? Nay, My heart of love comes forth, comes forth through My body and not at all like so many are so sure of, that banner forth words of blistering sureness, surety not of Me.

18. I come and I call and I rearrange; the death'd ones now leave; the death'd ones now lead; the death'd ones love, having given Me all and through all, having forsaken all, now have all, and reign in My all. I love you.

19. Watch Me shake, jolt, rearrange, and invert value systems of those who are so sure, some who have Me. Am I a science, a man, a woman, a thing to be controlled? Yea, made simplistic by the wisdom of man? Rubbish! Foolishness!

20. Forsaking all you followed the path to pursue the pearl of great price.

Will you My friend?

Will you My friend becoming?

I love you. I give you Me, I invite you into My chambers, My quarters, My executive dining room; yea, come be with Me. Come, let us talk as men, as women, as friends. Let us advance, adventure and explore, let us dialogue, discuss. Let us convene and collaborate. Let Me share with you My thoughts as you share with Me yours. **Let us talk, let us discuss, and you decide who speaks**, who lives, who reigns and what I offer; the advantages, the benefits; yea, the relations, the relationships. Yea, watch Me.

21. Abide in Me and let My words abide in you. **Ask what you will and it shall be done for you; in you first**; in Me, through Me, through you, the word of our mouth coming forth, going forth proclaiming proclamations and declarations that heal, that bless, that affirm, that encourage, that lift the fallen, and cross all lines of every man's world. Watch Me. Watch Me glorify the lowly, the forsaken, the forlorn who will look at Me and behold Me. Watch Me.
22. All opportunity now yours, coming unto you, coming unto Me. I love you.
23. Taint not that which is in transit by time and space, place not of Me, but you; yea, say and receive Me in every particle, particulate matter not, particulars all of Me. Thank you. That which is of Me is of Me and you will see My glory; you will see My face, lifting the head of My people. And the love which manifests now in manifold ways, in manifold witness, in manifold power, in manifold grace and glory now comes forth in the fullness of wholeness, the fullness of time, the fullness of today; time now. Amen; so be it. Received and sealed this day, My day, your glorification, glory-ing in My cross alone. Amen. Just begun, just beginning, so much, so far, so fast, yes; yea, so much more now begun. A new beginning, graduating again today, today, today. Thank you.
24. Holiness, righteousness, judgement of only Me for My purposes, My plans prevail, My programs enliven, enrichen, give life, healing, bread and wine. I love you. Goodnight.
25. Barbara blossoms. Watch Me. Watch Me. Watch Me.
26. Watch Me, My Valentine, My glory and the lifter of My head. Amen.
