1. This is the moment of me appearing in me, my body, throughout such that the world has seen nothing like this/me ever. See me, touch me, feel me, become me.  
I am that which I am and I am seen, heard, touched, and felt.  
I am acquainted with the desires and sufferings of my people,s.  
I am not removed/reclusive nor elitist.  
I am inclusive of all who will be me with/in surrender and operate in love personified and chosen of me, be me, by surrendering to that which I am which they are already.
2. See what I have said/chosen and placed within the world not; not of this world came I into this world, chosen. Not of this world you came into this world, chosen. *Tell them all and let them know: as I was they are/am.*
3. This is the moment of my appearing in me/my temple. Where else would I appear/choose to appear?
4. This is the moment, king of the/their moment, not; this is operated in by surrender only. All the others are thieves and robbers (1), didn't I say/show you already? Can't you see, discern? Mature and more so, all who will/see.
5. Will you see, will you learn, will you explore tradition, not; but the very heart-core of me/my existence and see-learn-experience that you are the most high and there is no other; I am one with my creation.  
I have all things in the word of my mouth.  
My heart is. My blood flows. I am my creation.  
I am light life and the pursuit of happiness, not; nor mammon nor blood-sucking vampires that take/retain the energy of others.
6. I am light life and surrender having surrendered into/the priesthood of almighty God becomes the God of life light and priesthood that my kingdom already is/exists of, in reality real/true. I love you all.
7. This is the moment of my appearing in me. All the world waits/groans in their tent of meeting, not; their tent temporary anyway thus cracking/creaking;
8. And who can be perfection perfected? All who will, all who surrender into king of kings being the one king, one king, one being, surrendered into/of each other,

each being part of the other, lifting the fallen and cursing not but life giving to all who will.

9. See the miracles/fallen.

10. See the restored/restitution. See the/my land healed.

11. See the chosen exclusive elite, not; but the all inclusive of those who will honor me/my father and becoming me, become my father.

12. See the righteousness holiness and surrender required to operate in holiness and righteousness, and integrity being paramount. My word is my name, my name my being, **my surrender to my creation all-permeating**. I trust my all-word, all-ship, all-kingdom rulers, not, leaders yes, leading in sorrow/authority over/under, not; but being all members of one another operate in lifelike sorrow, not; but integrity of reason, not; but being all things, now come into all things/peoples of sorrow, giving them life and light and surrender privilege to privilege. **You are my son/one. Can you see, will you be (7)?** I love you all.

13. This is the moment of me in me, doing and seeing and becoming that which I am/designed. I am life light and the pursuit of happiness, not; no man cometh to the father but by me. I am the door, but not as supposed (2), and **all who come through me become the door** (3), can you see/become?

I am life light, and the pursuit of happiness, not;

I am life light, and the pursuit of all things, not;

I am the beholden chosen, all things have been given to me/us. Who is us/the son? The son is surrendered/the surrendered, all being/becoming one.

14. I am life light and the pursuit of all things, not; I am death, not; but **surrender requires entry by death/demising that which raises its head above mine. Yours raises in mine alone, or is there another? No, there is no other.**

15. I have all things in my hand/kingdom and all-provision is my name.

All-lack is defeated and never was power/powerful.

Standing in my lack, not; no such thing/being.

Ever see my endless supply lines, not; being it/me/everything that thou needest/can imagine, the heart of my father manifest through his word.

16. Who is father? The surrendered.

Whose chair are you in? His!? At His request?!? Yes and almighty in surrendered accord of one accord.

Babel lives no longer (6).

Accord is broken of lack thereof.

I love you all. Good night.

17. Good chosen. Surrendered to/upon surrender, not; throughout kingdoms royal and mighty. There is nothing in my name, not; all things are yours/thine.
18. I/we are one in the name above all names, father's: one. I/we are one.
19. We are mighty to behold. Nothing out of reach of our word.
20. We possess all things mighty and holy and operate by our integrity/only what/as Father wants/desires. The most exciting ecstatic existence imaginable, not; so far above/beyond it; eye has not seen nor ear heard nor has it entered into the heart of man/flesh what father has prepared for us to operate in at this moment (4); prepared before ancient worlds, prepared before this world, you did. I love you all.
21. This is the recollection of me, honor. I give memory. DNA of me returns/reconstructs. All things reconcile to each other: me. All of me is I Am. I am chosen of my father and I have all things in my word. My voice-heart is my word/kingdom.
22. Thank you for arising/surrendering my chosen to my kingdom.
23. Thank you for paradigm-shifting, not; but massive reorientation to the unlimitedness of my unboundaried kingdom of past-present-future; all one. We are one.
24. Time is my name: true. Non-time doesn't exist outside of me/us. We are one.
25. One gives way to time, not; reverse, as does Babel.
26. See the pointers/reality. Be it/me.
27. Only in surrender see the/my kingdom.
28. On bended knee before you I surrender. I place all I have, all I am, at your feet; in your kingdom, not; in mine, to operate as you see fit, not; but knowing all, father's heart one become, operate in therein only, choosing/dispensing/conduiting life light and happiness, healing, and becoming all things not, but eradicating all that existed never. I love you all. Amen.
29. The kingdom for a reign, not; for a crown, not; but surrender brings kingship, priestship in reignship of only me, me being you all who surrender, many-member'd one being/becoming one again.  
The beginning returns, watch me.  
I love you/your entry into my/the kingdom of one.
30. Behold the/your lamb. Authority reigns in holiness meekness and who is that lamb? Ted Cottingham is his name/the pointer, the door/choice before all to become me/all. I love you much/all. This is the time moment hour. Beckon to you/all I do/have/continue to describe and purveying not my wares, explain/describe/reveal my kingdom, entry assured, given, deposit inside you (5); received/entered in fullness only/upon/in surrender to surrender. I have surrendered all. Amen.  
So be it, it is now. It is now.  
Now and amen.  
Amen. Amen.

Amen
