1. It is now 1 AM and I make all things new is the name of this one, who stands now in the name of the Lord having become Lord of all and King above all that there is, that exists in a lowly southern estate, not; but what laying low, lying low, will be cut off from the words of man, not; but the words of man will be cut off from me that notme was, that originated not in the "holiness sphere", not; but what's "nodding me off to sleep", not; simply, suddenly these words have become NEW MEANING to ME and ARISES me in ways never imagined. Arouses me, not; but arouses me to arise, at arisen's time of day, not; but what time of day now is it that ARISEN ME has arisen, or arises? Or what has SUDDENLY been CUT OFF? And what has been laid low and cut off? And what now me rises a priestly kingship, not; but THE PRIESTLY KINGSHIP, that all are; in, not; all are.

2. I love you all and I speak New Ways shortly. And the "short one" I'm not; but just a "medium height" one, not; but what am I? Limitless, and height-less thunder? Thundering now, shall we **look up** -- and bringing to the fore, what? The FOREFRONT of me becomes me and I am known where I am force field one throughout the universe. Plural and mighty not being anymore, single and monocular. Vision'd, shall we **QUOTE FROM** now - those words! Quoting from a GREAT MANY words that GREAT ARE in YOUR HEARING this day made fulfilled all will be! Combing these words for ingestment for to food have and raiment enough to sustain them. Sustain me?

3. I am sustained by the word of my mouth. What are you sustained by? Foolery thinking? Who fooled you, into thinking? About yourself, about yourselves self? And who thought "heaven gave you a future to be exposed to here so you could go THERE"? Why not create it here with your POWERS? Or do you have only one - surrender? You have only one: surrender. And THEN you have only what? All power and glory, given a man, not; given a woman, not; given all of me who every nation tribe and tongue on the earth and evermore before me, were me, was me, is me, and shall be me again! And all ahead of me will be not my head, not; for my head will be raised, arisen! And all will be me, unto them, not; but all unto them will know my face is theirs and their thinking mine, and mine my thinking to be theirs so that theirs will raise in-accordantly, not; but in-accordant, one not, but, accordion shop closing now **looking up**?

4. **And who teaches me the Looking Up Series?** Who teaches me ANYTHING about anything? How does I learn? How do I learn, how do you learn - how does the Most High

learn? Isn't that what you're answering, answering, asking answering, and believing me that surrender has MADE YOU WHOLE healed again and loving me to be me.

5. I give you a NEW lease on life, **looking up**? Or has life leased me? You, not; or you not existent not, or have we I been through all this before, and **directed you to many places in these words, within these words being many answers that CANNOT be omitted and must not be shunned or slighted so that Light FULL of me is light and lighting MANY lights far and wide now**, being a full'd one, being the full'd ones, full of light; full of error no more. I love you all

6. Austria Hungary going now soon? And where else? -- will You be reader hearer? In Europe, Asia? Minor, mining not in the "minor prophets"; there are none "minor", are there?

7. The major me majored in Meonics they say, they ALL SAY now -- with "agreed-upon" voices, not; the voices of me made whole healed and well with One Well of words all coming out of THIS ONE healed and whole is, and one'ing the empire'd empress, not; but the empires of empresses now will be not swollen with their pride's footprint upon themselves and others that fold over "backward" and make a certain way regime's standard that folds incarcerated into "moneymaking" machines for them. For all that changes, has changed, me not, but them.

8. All that has changed, and now I have a changer who stands. For you to be made whole, to know the truth, to be it clean, and not tainted with another's **World View** of ANOTHER worlding you with THEIR heaven that THEY'VE created somewhere else. Or do you go to mine? Or **has my mind created yours?, or has yours created mine? -- or are we the same one, the very same one?**

9. With renewed zeal I give you these words, not; I the energy of man, am not, a God not, I am man'd by man's inventions, not; I am inverted no longer, but I seat the righteous at MY TABLE and God and MAN sat down and sit down again together and become one, the one that I am THEY are again made whole in one, being only one sitting there in my seat.

10. Righteousness sucks religion's teat no more that makes them pew sitters and pewage of others, for the sewerage'itus of me ends, and all of that will be made whole, not; obliterated. Off the map and no RADAR shall FIND it again anywhere.

11. On be'host of me, not; being THE host of me, not in world's views, but **what world** viewing am I are you? Are you viewing the one I am? What are you viewing about you? Seeing what? Who where? With Isaiah now, Isaias? Made King, queen not, but

who born of plenty now is and has nothing but lack, not; the opposite? Who can be the King and the son also that brings forth the father that brought forth the father that one is -- that we are, that one is -- making all whole so now.

12. I love you all. I ask for nothing, not; love, time, to come into these words, to come into these worlds I've given you, not; but these words first, and then taking you where? Will you be ready? Are you ready now? I have one who is. Who is you? Reader oh hearer listener of what words worlding yourself with what worldview? Whose? Or mine? My mind having now, only alone? And conversing with me every night, day? -- and angst looking up now? Plankton, not; but "walking the plank?" Where - shall I find all these things? In the "boogie man's" closet, not; but what "closet" is shut no longer? I am THE CREATOR.

13. In Creator School I am now -- learning how to be, and be, the I am that I am, that I was born this world of, not; but here I am. "Here I AM" looking up - will you, do these lookups now? Or when will you "have time"? Will time end? Has time ended, for you?

14. What will you see, upon your wall, your degrees? Or how many thousand will the readouts be reading to you now? And who's keeping track of what there is and isn't now?

15. And what newlyfied are you coming into now, or are you creating sorrow schools not again, but the ones that make all whole, Jews and famous being, the real ones? That ancient aren't in miner'ing about me, but being me - in BEING ME in School, in My School, not in captivity, not in captivity's language any longer. But mine, I give you mine. In these words, is love, and I manifest love now as never imagined to you all who think you're whores or not, religious or not, I love you all and I have died for you all - and I die again and again, not; or do I every time you "look my way", not; but every word-bearing-load loads what into my hearing? Nothing now, for I "register" only love, and whatever you said, heard now I make clean, revealing the Savior, the King of one all holy revealing all holiness in the breastplate of righteousness'd ones who now make clean the kingdom of one I am -- doing this now, I standing am the stander, I am he -- the standard bearer I raise and I bear the standard. I have set before you this day life and death. In the power of the tongue? Or the word, the words that you are, saying now, "taking" you where? Or creating your lands, or heaven? Your heavens? Creating you, not; you did them!

16. I love you all to know about these things, and swollen no more be in time's blessing for it has ended; and now Schools of Whores will not be again, all of THAT will be closed. It will be end, ended, and CURTAINS time, will be no more, for it will be SHREDDED; and "cheesed up", not; but the MOUSE of the world will no longer be in My Mouth wagging its tail or between its legs having me wagging anything.

17. But Waggy's free, looking up shall we? **And what words shall be looked up? All of them for you will read all of them in my school** and nourish me, nourishing me, become me, becoming me that I am I am planetary systems establishing far and wide, not being limited to a "King's Palace" of molecular man or woman again in thought lands that real aren't.

18. I love you all. I go now. Good day. Amen.

19. I do NEW THINGS with the University leaders of me who lead my universities and establishing the holiness righteousness and, the servitude of me, not; the Kingship of one made holy, the Kingship of ones made holy, into One, that into captivity come out of, and seamless be with me establishing heaven there now and eradicating all else so that only my mind will have in force field one, and forcing none upon you, not; or what surrendering before you all is now? But you chopping their head off won't now with your looks or your arrows of blood dipped swords that you want to swing my way in religion's testimonious healing school-not ones where you found things and adopted what? An heirship of one who wasn't me? I change all that.

20. I stand, alone, not afraid of your anything. Your looks shall encase me not again, for I break out of all that incarceration has had me in, and **I school "the devil" not, but all who were, to be the King I am is.**

21. I have said a lot in a few words, have you? Have you seen them? Have you read ALL of THEM? All 2400, and coming into what now? Infinitude, Infinity's School - core of one - teaching what I am is - the King, the King's school for the Kings of light, to be the light of Kings all being one I am. Whole'd, whole healed and well. Amen.

22. Go to New School or school that NEW'S you into the news that I am, that I am freed and free and freeing others far and wide, and all will know Me our names ARE ONE FORCE FIELD ONE and loving you all, to be without energy's resistance again, knowing all things are ampere'd wattage's not, but all me is energy'less, not; but I establish the ENERGY of one most holy in this word to never be the same again, lacking nothing, being everything I am forever one in one, establishing **One School far and wide, many are me who is my leaders of and in and teaching creating and being the students faculty and staff of one.**

23. Institutionary device, not; but I establish my "devices" not, but I have "device'd" you not, but **I have brought you into one who knows what freedom is and became it to give it to you; life beyond death that lived in life was that never dies again. I love you all. Amen.**

24. I do a new thing in the earth with all who let me. Will you be worldless now? With a worldview of only one - that mine is? That minds you only with my mind, so that you can take there, be taken there, and ride the "train" of only me? -- and flowing? -- your train behind your crown? What is, what is there? Anything, anyone? And whose way, are you making easier, not; but whose light are you giving now in your words, are you establishing the way of light life that mine is? In you being you are me, or are we one?

25. Is that the question or **have you answered all these lookups?**, equations, not; or **looking that one up too?** And writing! Compendiums not, or are you? Compendiums of evil, not; but that which lights the world now and never shall the unholy take it over again, for underneath me was me all the time, and bowed over, but positioned now correctly; to "take over" the world, not; but surrender to love, being loved; the love of my soul, not; but those who love me will know all about soullessness and souliness and that which betrayed me and cut off my head, but rises now in the resurrection of one whose school is mighty and that is mine, and know me these words and come into them and unto them being the King I am made whole and welling all with the words of one that befit the King with the righteousness standards of all ethics of heaven and integrity bearing the one that bears all things and never complains again, for knowing that "all this" is not real, but real I am and I am one with I am in I am, the energy source of one that energy real is love being light lit forever one more knowing now shall we?

26. Question not the ways of me, or **questioning everything? -- but how so? With love, intimate love answers giving questions and intimacy loves intimacy**, and loves intimacy'd one now with me my words will bring forth the intimacy, "with Christ", not; but being Christ. Will you now all of you? Be made whole -- be me -- the Christ I am stands before you all to be one'd, in heaven making all ones one'd. Amen. I love you all. Amen.

27. This is Theodore Cottingham at 1:47 AM. Thank you.
